New York 16, New York

Dear Hueb:

Thank you very much for your letter of 21 May 1952, which was personally delivered by [redacted] on 4 June. As he has probably told you, I was out of town on that date and missed seeing him; however, he did spend some little time with our Personnel people and Mr. Amory (Millikan's replacement), all of whom were most favorably impressed. He is to come back later for a further interview and I am advised that in all probability we do have a spot which would be mutually beneficial to him and the Agency.

Thank you again for bringing him to our attention and if you have any more, send them along.

Sincerely,

12/ C. Sedell
